Conectando Vidas, Compartiendo Culturas

Your Residence SAN ESTANISLAO DE KOSTKA

A total of 14 bedrooms are available with 5-6 beds per room. Next to each bed participants will find a small study table and chair for homework. The dormitories are in the 3rd floor and conveniently separated for boys and girls.

This prestigious private school has all necessary facilities to host our group during summer time at a unique location close to the beach.

Now it's your
turn.....

See you soon!!!!
